

# Get a free tree!

The Queen's Green Canopy (QGC) is a unique, UK-wide tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022, by inviting people to 'Plant a Tree for the Jubilee.'

Would you like to plant a tree? The MCG is offering to give you a sapling.

The MCG footpaths group is happy to help you choose a suitable tree and if you need help with planting it we can do that too.

All we ask is that you care for it and perhaps send us the occasional update on its progress.

Maresfield and local area residents can register their interest by emailing the MCG at [maresfieldconservation@gmail.com](mailto:maresfieldconservation@gmail.com) or by calling Alex on 762545. Then we'll contact you to find out what type of tree or shrub would be good for your space.

As the next planting season is in October 2022 we need to order the saplings in plenty of time, so we would like to hear from you by 31st August.
