

## Maresfield Photo Calendar Competition

We invite you to take part in the Maresfield Conservation Group's photographic competition on the theme of 'Maresfield through the Year'. The 12 best entries, selected by an independent judge, will be used to produce a calendar for 2025 with profits donated to a nominated charity.

We are looking for photographs of landscapes, wildlife or village scenes taken somewhere within Maresfield Parish through the seasons. Images you've taken in past years are also welcome too.

All photos on the calendar will be credited with the photographer's name and a prize will be awarded to the image chosen for the cover.

Please email your entries including your name and the location and month the photo was taken to [MaresfieldPhotos@gmail.com](mailto:MaresfieldPhotos@gmail.com) and include your photos as separate attachments in jpg, jpeg or png formats. Photographs should be in landscape format (wider than they are tall).

By entering your photos you give MCG the right to use them on the Conservation Group website and on the calendar. There is no entry fee, so submit as many photos as you like.

Any questions? Email us on the above address.

The closing date for entries is 30 September 2024. Good luck.
