

Maresfield Conservation Group – New Committee Member / Trustee

Welcome to the Maresfield Conservation Group Committee.

The Maresfield Conservation Group is a registered charity (Registered number: 1104136) (MCG) and you are being appointed as a Trustee of MCG.

Being a Trustee of charity brings with it certain responsibilities. You are strongly advised to familiarise yourself with these by searching for The Charity Commission on the gov.uk website. Under the Guidance link you will find lots of information including a series of '5-minute guides' for charity trustees.

Using the 'Find a Charity' link you will also be able to look up details about MCG including of your fellow Trustees and its historical financial position.

MCG is governed by its Constitution, a copy of which can be found on its website at [maresfieldconservationgroup.org/About/MCG/MCG Constitution](http://maresfieldconservationgroup.org/About/MCG/MCGConstitution).

There is a good deal of further information about MCG on its website – mostly under the About link, including a Committee sign-in section (which is password protected). The latter includes documents such as the MCG Conflicts Register, together with various Documents and Policies designed to assist the MCG in its governance and operation.

We will also look to add some brief 'bio' details for you on the MCG website.

If there are things that you think you need to (or feel you should) declare please do so to the Committee Chair or Secretary so these can be recorded.

We hope you will enjoy your engagement with MCG and contributing towards its aims to promote the conservation, protection and improvement of the physical and natural environment in Maresfield and surrounding area.
